# **BUBLICZKI**

## **Turbo Balkan Beats from Kashubia!**

**Publiczki are considered the most exciting band in the current folk scene in Poland. They have produced three CDs and played hundreds of concerts since their founding in 2007. They played on all the important festivals in the country such as Przystanek Woodstock, where they are permanent guests on the main stage. Unmistakable in the music of Publiczki is the influence of Kashubian culture. The musicians of Publiczki bring a unique energy to the stage with the power of virtuosity and passionate Balkan Klezmer Gypsy Brass. This is THE insider hot tip from Poland!**
